

Welcome

to Grace Church

Thanks for checking out our website and trying to get to know us a little better. I hope what you'll discover is that Grace Church places an extremely important emphasis on relationship, family, and mission. You'll see that we express this vision by seeking to connect people to Christ, Church, and Community.

We truly do desire to be and make disciples of Jesus, and we believe that begins within a genuine relationship with God. I hope you'll also notice that our desire is to live this out within a family; which we call Grace Church. As we experience this relationship we know God has called us to join Him on His mission which takes us beyond our doors into our communities and all over this world. I'd love the opportunity to get to meet you and have you join us on this journey.
