GRACE CHURCH YOUTH VOLUNTEER CODE OF CONDUCT

The purpose of Vacation Bible School and other children's discipleship programs is to share the love of Jesus with children. As a youth volunteer, I'm making a commitment to be a servant of God and an example of His love to kids and their families. In order to bring glory to God during VBS, I agree to focus on my children and help adult leaders in my assigned area.

I Will:

- Turn off my cell phone and other electronics during VBS/Connection Groups/Awana/MOPS Kids, unless I have been specifically assigned by an adult leader to take photos or video of my class for media purposes. I will not text or talk on the phone except during my break time, and I will not post photos of children on my personal social media pages.
- Dress in a manner that is modest and mature. If I am in doubt about whether something is appropriate to wear to Grace Church programs, I will ask an adult leader.
- Teach children to lead by being a leader and setting an example. I will walk safely, calmly and quietly as I move from place to place. I will treat all adult leaders, visitors, other youth helpers, and of course the children, with respect. I will make sure the words I use and the way I use them are polite and Christ-honoring.
- Remember that play has an appropriate time and use discernment to know the right time. I will not roughhouse or distract children from the activities that others are leading.
- Become familiar with the theme for the week and the job to which I am assigned. I will review the memory verse and Bible story/theme focus for each day and use every opportunity to encourage the children to understand and apply them.
- Come to VBS/children's programs with a positive attitude, energy, and enthusiasm. I will arrive on time and expect to have fun!
- Comply with all policies and procedures of the church and requests of adult leaders.
- Attend any volunteer trainings that are planned for VBS or the given programs I plan to volunteer for if requested by directors of those programs.

THANK YOU for dedicating your time to help children learn about Jesus!
